2486	Inbox		11/3/2013 11:57:00 AM(UTC-5)	Read	You spent about $1500 in Seattle (hotel, restaurants, perfume store, nordstrom, sports authority, halloween store, airport store) plus $500 for changing flights, $1000 to Worldstar, $500 to Keelyn total $3500. I used $750 from aurum lounge to cover some of this and the rest came from Hip Hop Weekly money. the $1250 we got was put in Thea's account. I'm waiting on bam to send $1500 said he will send tomorrow we need to buy the plane tickets with that which leaves about $900. I've got an ad deal I'm expecting to get $3500 more on Monday if we get that we still about $4500 short that's why I thought maybe we could get that for the watch up here on Monday unless you can convince Andy	Yes

2090	Instant Messages				4/27/2013 8:24:48 PM(UTC-4)		I did nothing wrong in my conversation with Peter he will be apologizing he was way out of line for no reason I thought he was joking...I just shared with him the plan for the fashion expo like u had asked me to do and then suggested we do the reality awards on the same weekend I understand now that's a bad idea but he literally flipped because I asked him to consider it and he shot it down and started screaming about how he's not going to let us coerce him to doing things our way then cursed me out and hung up I never raised my voice or said anything remotely disrespectful to him. After he hung up I looked at an email he sent us and I saw he's holding a press conference on Tuesday announcing that we are doing the reality awards in September I didn't know this was taking place in a few days maybe that's why he was upset because he thought I wanted to change it before Tuesday	Yes

There is one full upgrade on the entire account (Scnopps line) which can be used to get it for $199 but that's what we would use to get you the new iPhone 5s. They haven't released the price on the 5s yet but it's expected to be about $500-600 full price without an upgrade	Yes

Your problem is you love to hard and wear it on your sleeve, so you expect too much too fast, you have to slow down, therefore your expectations can be more realistic so you dont get let down so quick..... Trust me your not perfect, you just have to have patience and figure this out.

6979	SMS Messages	Incoming			11/3/2013 11:57:00 AM(UTC-5)		You spent about $1500 in Seattle (hotel, restaurants, perfume store, nordstrom, sports authority, halloween store, airport store) plus $500 for changing flights, $1000 to Worldstar, $500 to Keelyn total $3500. I used $750 from aurum lounge to cover some of this and the rest came from Hip Hop Weekly money. the $1250 we got was put in Thea's account. I'm waiting on bam to send $1500 said he will send tomorrow we need to buy the plane tickets with that which leaves about $900. I've got an ad deal I'm expecting to get $3500 more on Monday if we get that we still about $4500 short that's why I thought maybe we could get that for the watch up here on Monday unless you can convince Andy	Yes

9444	Instant Messages				12/19/2013 6:51:28 PM(UTC-5)		On my life. Whatever is meant to be as far as my career. Cool. I'm done with Zino on a personal level. Enough of putting hands on me. Because I care I never call the police but enough. I'm sorry and thank you for what you have done! Nobody deserves to be talked down on. Over nothing all the time. And as much as I do love him I'm walking before I really get hurt. After that after missing our flight. He had hands around my neck. And then again today. Just because I woke him up to tell him to erase it off his page for him and his son number. Because I didn't get ray number yesterday for my sister. Over nothing. It's not me!!! And again I am sorry.	Yes

The bank closes at 2pm today. The other option is to put $7500 on Coi's card and $7500 on yours	Yes

Tell him no girl would say no to that - and we will get to introducing Althea ASAP. After 2 scenes with her, and a few with his other guy friends. He can propose in an elaborate 2 parter!!!! But we have to build to it so the audience super cheers for him at the passionate kiss on top of the Ferris wheel. Tell him will be the most romantic epic scene in LHH history. But give me a sec to build it up to do that ring and his love JUSTICE!!!!
